We Asked, and Here's What You Told Us...

Dear Gary and Debra ,

In this day and age, it's unusual for sales people to really listen to a client's needs, but we are true mortgage brokers, and took the time to ask and listen to what was important to you.

Thank you again for choosing us and Neighbourhood Dominion Lending Centres to help you, and be assured that we will be your guide through this often-complicated and stressful process.

If the above is not correct or incomplete, please tell us immediately by e-mail or phone.

Our team is committed to helping you achieve your goals and we are keeping them in front of us so that we stay focused on them.

Again, thank you for the opportunity to serve you.

Sincerely,

Gary Meger
